L'aube des énergies nouvelles / Dawn of new energies

## Installer-Partner Program

Rematek-Energie is presently looking for experienced partners in the field of New Energy. If you are a general contractor, electrician, or have experience in sizing, designing and installing New Energy technologies, we want to do business with you!

### **Product:**

Our superior quality diversified products meet all industry standards and at unbeatable prices! If we don't have what you're looking for, let us know. Our trained specialists always keep up to date with the latest technologies and know most manufacturers that will be able to answer your needs.

### **Training:**

We encourage our partners to follow professional training seminars that are offered within the New Energy industry. Our dedicated professionals can also custom design a specific training seminar to answer any questions you may have relating to sales, marketing, design, and technical support. On top of this, we offer periodically training webinars via the internet. Please go to our website for scheduled training events.

### **Unbelievable Customer Service!**

Here at Rematek-Energie, we understand that your business is our business! We have built our reputation by fully meeting our customers' specific needs. Our qualified representatives know how to support your growing business and guide you with your projects. A fast and professional service awaits you! Our operation hours are from 8am to 6pm EST.

### **Shipping:**

All our products are shipped FOB, Ville St Laurent, QC Canada. We will do our best to minimize your shipping costs. If you have a preferred carrier or want to use your account, please write the details on your PO. We will accommodate your request. All orders are usually treated within 24h after reception of your PO.
